MEMBERSHIP DUES

This is a reminder to those procrastinators who have not paid their membership dues. No association or organization can operate effectively without some type of funding. Your dues pay for the operating cost of all the associations activities. Part is used for producing and mailing your newsletter, part is used for funding our association's monument at the Ranger Memorial, part is used for the upkeep of our monument located on the Airborne Walk. The remainder is used to purchase stationary, envelopes and pay for the phone calls that are necessary to operate efficiently. **Your association dues are \$20.00 for 1993.** It will continue to be the policy of this association that if the member cannot afford the dues, the association will carry him till times are better. Please look at the second line of your address label on the rear page. If the last number shown is less than 93, then your membership dues are now payable. *Don't procrastinate, send in your dues, TODAY!* Secretary

RANGER RENDEZVOUS

Have you made your reservations for the Ranger Rendezvous (1993) at Columbus/Ft. Benning, GA? The active duty 75th Ranger Regiment is hosting this years Rendezvous. Many of the events that occurred last year at the National Reunion and Ranger Rendezvous will take place again. P/75 and N/75 - 74th LRP - 173rd LRRP will be holding a off year reunion in conjunction with the rendezvous. In addition to the events listed below, the Ranger Training Brigade (LRS Training Section) will conduct the dedication of the LRSU classroom in Lazslo Rabel's name. Lazslo Rabel is the only LRP to be awarded the Medal of Honor for service in RVN. R.D. James (Former Commander, N/75 & 74th LRP) will be the quest speaker at the dedication. There will also be a Parade of all Rangers from the different era's. Our association will march as a group (Last years parade was outstanding and was the first time many of our members received recognition for there service in Vietnam, Grenada and Panama.) Two of our members will be inducted into the Ranger Hall of Fame.

Dave Dolby, MOH (C/75 & N/75) and Gary Litrell, MOH (Advisor Vietnamese Abn Rgr Bn & C/1/75). It is hoped that many of the former members of these units will come to the rendezvous to show support for your former comrade and unit member. This prestigious event is one that all members should attend. Our association will host a **hospitality** room at the Sheraton Hotel which will be the HQ's for this rendezvous. Room rates are \$45.00 per day plus tax. The Sheraton is located just off highway 185 at exit 6 and directly accross from the Columbus Airport. The Sheraton Hotel is within walking distance of many resturants, movie theaters and shopping centers. Ft. Benning is 20 minutes away. The HQ's was moved to this hotel in the hopes that more of our members would bring there families to this event. There are no registration fee's for attending the rendezvous. All events are being hosted by the 75th Ranger Regiment and Ranger Training Brigade. The hospitality room will be funded by donations to a jar located in the hospitality room. Transportation to and from the events will not be provided, many of us with cars should be able to accomodate those without.

You will have the opportunity to see the Ranger Regiment up close and mingle with the men and leadership of the regiment. Plus, you will see old Ranger Buddies from the past and have a great time with the remembrances of the good old days. **"back when it was hard"**. So make plans to join us 17 - 21 July and share in the honor and tradition of being part of our great Ranger Lineage. **DAVID L. GRANGE, L/75 & 75TH RCO** (SEE SCHEDULE OF EVENTS, THIS ISSUE)

RANGER MEMORIAL STONES

Members can still purchase memorial stones to be placed in the walkway leading up to the Ranger Memorial. **The memorial is now scheduled to be completed in July 1994. Funding was not as forthcoming as expected** This is your chance to be immortalized in stone and be remembered as a Ranger. A replica will be available for viewing at the Ranger Rendezvous. The time period has been extended for the purchasing of the individual bricks and the entire amount of \$240.00 is no longer payable at one time. Arrangements can be made with the Ranger Memorial Committee for periodic payments. MEMORIAL DONATIONS REQUESTED

The Ranger Memorial Committee has notified the association that our individual monument will cost between \$8000 - \$9000.00 plus engraving. The engraving is elaborate in order to include all the campaigns of the LRRP's, LRP's and RANGERS. We currently have \$6000.00 in the Memorial Fund. We need an additional \$4000.00 to cover the cost of our individual monument. Some of our members have made substantial donations and as can be seen, more is needed. If you are able to make any size donation to the memorial fund,

RANGER ASSOCIATIONS

For the past year there seems to be some confusion among the members of all the RANGER ASSOCIATIONS on who is eligible for membership in the 7 different Ranger Associations. **That's right "7"!** Listed below are the various Ranger Associations and the criteria for joining. *Each is a separate entity and this article in no way attempts to explain the various classes of membership in the other associations:*

75th Ranger Regiment Association Inc. (This Association)

Membership is open to all former members of the 15 Ranger Companies that existed during the Vietnam Era as well as the LRP companies and detachments who preceded them and the LRRP units who existed prior to the the LRP units. members who served with 1st and 2nd Bn 75th Infantry (Ranger) and the Hq's and three (3) active duty Ranger Battalions of the present Regiment. In addition the former members of the V Corps and 7th Corp LURP's and their successor units are eligible for membership. Membership is contingent upon verification of service in one of the above qualifying units.

Merrill's Marauders (WWII)

Service in 5307th Composite Unit or 475th Infantry who served in the Burma Theater of Operations/

Ranger Battalions Association (WWII)

Service in one of the 6 Ranger Battalions that served in the European Theater of Operations or Pacific Theater of Operations.

Ranger Infantry Companies Airborne (Korea)

Service in one of the Ranger Companies that existed during the Korean era.

Army Ranger Association (No specific period of service)

Graduate of the US Army Ranger School and other classes of membership.

75th Ranger Association (Active Duty Regiment)

Regular membership - must be currently serving in one of the three battalions of the active regiment. Associate Membership - Have served with any Ranger type unit. *This association was formed primarily to handle funds so that they would not have to constantly ask the existing associations for moneys.*

Ranger Training Brigade (Ranger Instructors)

The newest of all the associations. Unsure of qualifications for membership other than to have served as a Ranger Instructor.

There are other Ranger type associations such as the 8th Army Ranger Company (Korea) or G/75th Rangers who restrict membership to having served in the respective units. Some of our members as well as the other associations members get the various associations confused, some send moneys for membership in organizations that they are not eligible for or think they are getting a life membership in our association when they are actually getting a life membership as an associate member in the 75th Ranger Association. Don't know a solution except to ensure that you are member of the **75th Ranger Regiment Association. (THIS ASSOCIATION)**

VIET NAM RANGER RECOGNITION REQUEST

1. The purpose of this memorandum is to officially request that either by proclamation or decree that the Army recognize the Vietnam era Rangers as honorary Rangers with the equivalent status as all other U.S. Army Rangers
2. As part of an historical oversight, the Vietnam Era Rangers have not been officially recognized. As you know, their contributions to both our Army and Nation are a matter of historical record - many written in Ranger blood. The intent is to recognize the contributions of these heroic individuals as well as their units as U.S. Army Rangers.
3. The requested units to be recognized are the U.S. Advisors that assisted Ranger units (Biet Dong Quan - BDQ) of the Army of the Republic of Vietnam (ARVN) and Long Range Patrol (LRP) / Long Range Reconnaissance Patrol Companies/Detachments that served in the Republic of Vietnam prior to 1 February 1969. After this date the Ranger LRP/LRRP Companies are recognized.
4. By way of historical perspective, on 1 February 1969, the 75th Infantry (Rangers) was activated and all of the LRP and LRRP companies became lettered Ranger Companies. Their missions remained the same - Patrolling deep into enemy territory and collecting intelligence was their forte. The BDQ advisors performed typical Ranger operations. The sad fact is that the men of the LRP, LRRP and BDQ advisor units are unofficially recognized by the entire Ranger community as brethren Rangers.
5. In the same sense that the Army officially recognize other Rangers from the past, we respectfully request that these Vietnam era Ranger receive the appropriate U.S. Army recognition. The approval of this recognition would correct both an historical oversight as well as elevate the men and units of the Vietnam era Rangers to equivalent of; Daniel Morgan, from the American Revolution. Colonel John S. Mosby a confederate Ranger from the Civil War. BG Frank Merrill from World War II, and the outstanding men and leaders of the Ranger Infantry Airborne Companies of the Korean War.
6. Respectfully request that this action be given just consideration in an effort to honor those veteran Rangers and units that serve our Army and Nation with such valor and distinction during the Vietnam War.

RANGERS LEAD THE WAY!

DAVID L. GRANGE
Colonel, Infantry
7th Colonel of the Regiment

SECRETARYS NOTE: The above letter was sent thru the USA. Special Operations Command (Provisional), Ft. Bragg, NC. USA SOCOM. to the Chief of Staff. U.S. Army. Washington, DC on 6 May 1993. This letter was inspired by our association to right the inequalities that some elements have attributed to the Vietnam era RANGERS. Credit needs to be given to past president. Bob Gilbert and all of the elected officers of this association for the past 6 years. The truth of the matter is that while our brethren of

WWII and Korea had officers assigned to the various combat elements of the Rangers, we, of the Vietnam era had enlisted men in the grades of E4 thru E6 leading the RANGER/LRP/LRRP teams. The fact that the LRRP and LRP teams did not have the Title of "Ranger" led some of the officers at Department of the Army level to beleive that we were seperate entities. While that is true from a lineage viewpoint, the fact also exists that LRRP's and LRP's mission, equipment and terrain did not change just because of a unit designation change. The fact also exists that the LRRP's/LRP's performed every mission designated by the US Army to be Ranger missions. The Rangers of previous era's who were led by officers that eventually advanced to Pentagon assignments were in place to see that due recognition was given to their previous units. This editorial in no way should be taken as a slur on the Officer Corp or the Staff of the Pentagon. It is just a plausible explanation of the reasons for the historical oversight. The above letter is the result of 6 years of work by your officers and was directed by the membership at all the national membership meetings that have taken place. When the official recognition takes place, I for one, who has always felt that we who served our country proudly and with distinction have earned the title of **RANGER** and I will stand a little more taller, be a little more prouder whenever the LRRP's/LRP's and our brethern of the BDQ are called RANGERS! Colonel Grange is eminently qualified to be the author of this request. For those of you who are not familiar with his background, Col Grange served as Platoon Leader in Company L, 75th Infantry (Ranger) and was an Advisor to the Vietnamese Ranger Bn (BDQ) and is the current Regimental Commander of the active duty 75th Ranger Regiment. His change of command will take place in July and I am sure that the relationship we now have with the 75th Ranger Regiment will continue to one of mutual respect and admiration.

VIETNAM WALL CORRECTION

Garry Norsworthy C/75 was at **THE WALL** recently and was making etchings of the Medal of Honor Recipients of our association when he noticed that Lazslo Rabel's name was misspelled. Through his contacts he was able to get the name changed to the correct spelling. **Thanks Garry**

BASSETT HOUND RGR TRAINING

Duke DuShane P/75 recently put his Bassett Hound named Elvis through a short Ranger Training Course. Seems that Elvis had a habit of digging a foxhole whenever he moved to a new location in the back yard of Duke's house. Duke, who did not take kindly to this action decided that Elvis had to go. On the way to a the Vet's in back of Duke's pickup truck, Elvis decided to E&E while the truck was going 60 MPH with leash attached. Seems that Elvis could not keep up and was dragged for considerable distance with his 4 inch legs going as fast as possible. The dog did survive and now lives with the Gulag at the RTB. My persoanl belief is that Duke was jealous of the dog, the dog was taller than Duke!

RANGER ITEMS FOR SALE

The Association will no longer sell T-Shirts (Other than Association Design) after the items below are sold out. The cost of keeping the sizes in stock is prohibitive. The challenge type coin commemorating the 50th Anniversary of Rangers will not be available after the ones in stock are sold. Don't miss out on having this very unique coin, it could cost you a round of beer. **Order your T-Shirt, coin and 1988 Reunion Book, Today.** When supplies are gone, they won't be available again. Many of our members ask about ordering unit specific patches (Scrolls) from the Vietnam Era. Listed below are a few of the companies I am aware of that produce RANGER/LRP/LRRP type items and or memorabilia. The association does not accept advertising from vendors but when one of our members has a business and has shown that he produces quality work, we will make our members aware of it. Write to the following addresses for brochure or flyers.

4-4 A LURPS NARRATIVE

Gary Ford reports his book on his experiences with F/51 LRP is in its second printing. He has also told me that even some of the members of the unit have criticized his perceptions of events. Seems that some of us forget that most of the books that are being written are from a personal viewpoint. Remember why we had debriefings? Everyone see's something different during a mission or firefight. We may not always agree with each other, but lets respect each others right to disagree on events that happened 20 + years ago.

ARMY SPECIAL OPNS FORCES

Geoffrey Barker, Honorary Member #1, has sent me a copy of his revisions to *A Concise History of U.S. Army Special Operations Forces*. 2nd Edition, Volume 1. This book is designed to appeal to the amateur historian, the military insignia collector, and those soldiers who made it happen. The book lists not only all the Ranger type units that have existed from the time of the American Revolution to the present (1993) to include the dates of activation and deactivation but includes the numerous variations of scrolls worn (Authorized & Unauthorized), Distinctive Unit Insignia, as well as a short narrative on unit awards. This edition also identifies units participating in operations *URGENT FURY*, *JUST CAUSE*, *EARNEST WILL*, *DESERT SHIELD*, *DESERT STORM* and *PROVIDE COMFORT*, and newly activated SOF units through to 1993. The book also includes the same information on Special Forces, Psychological Operations and Civil Affairs units. Geoffrey was kind enough to enclose a membership application for our association. The application is correct in content but lists past president Bob Gilbert as President Emeritus (for life) and that membership applications/dues are to be sent to him. Not so, dues are to be sent to the treasurer and there is no such position in our association as President for Life! Overall, I find *A Concise History of U.S. Army Special Operations Forces* invaluable as a amateur historian and along with Shelby Stanton's *Rangers at War* a tool that enhances my ability to perform my job as Secretary for our association. The cost of the book is \$25.00 plus \$2.00 shipping and can be ordered through your local bookstore using the ISBN Number 0-922005-09-9 or ordered directly from ANGLO-AMERICAN PUBLISHING CO. , PO BOX 6456, TAMPA, FLORIDA 33608-0456. **SECRETARY**
