VOLUME 7 ISSUE 3

NEW PRESIDENT

Our association has a new president. Milton Lockett resigned as of 22 June 1993. His reason for resigning is that he could not commit the time required to effectively administer our association. He had made prior commitments in the drug awareness programs of the Columbus, Ga area and recently received recognition of his efforts from the Federal, State and local governments. Riley Miller agreed to stay on as the VP, but will not move up to the Presidents position. Duke DuShane will assume the duties as President on a emergency basis for the remainder of the term. This was approved by the unit directors. While the association regrets the resignation of the President. We understand that the resignation is in the best interests of the association. The fact is that the effective administration of a growing organization such as ours requires many hours of time that many of us just don't have. The association thanks him for his time and effort in moving our association forward. **SECRETARY**

MONUMENT DONATIONS NEEDED

Donations are needed to complete our payment for our individual monument to be located on the RANGER MEMORIAL at Ft. Benning Georgia. The cost for the monument is \$9103.00 plus engraving (shown in last issue). Our association currently has \$6379.00 in the monument fund. That amount includes \$770.00 donations that was received from the recent Rendezvous. If everyone would send in at least \$5.00 (more if able) we would attain our goal of \$10,000.00. Help make this project happen. Donate what you can and help honor all RANGERS, past, present and future. **TREASURER**

THE HAPPENING

They say each man in his life time will experience 15 minutes of greatness, I know of five Rangers who were made to feel like they had a whole evening of greatness, thanks to the brotherhood of the Ranger family. On the night of 19 July 1993 during the awards ceremony for the sports events hosted by the 75th Ranger Regiment, Ranger Dave Dolby (MOH - RHF) took the platform and received three standing ovations as he saluted the young Rangers of the Regiment, it was obvious to everyone who their hero was, it was a stirring moment but not the last of the evening. Later in the evening as CSM Jesse Laye announced that, "The banquet was over", there was a

a group of Rangers from the 1st Battalion that didn't want the evening to end. They stood with their arms raised in the air and just cheered and HOO - AH - ED without stopping. Knowing that four of the Rangers from P/75 were in that area, I made my way through the crowd to see if they needed back-up, not to worry, what I saw brought tears of contentment to these old eye's. The young Rangers were lined up before the four Rangers from P/75, not in groups, but company size lines each hugging and shaking hands with these Vietnam Rangers and saying "Thanks for Leading the Way" my four friends were overwhelmed, the tears flowed freely, this was the thanks they had wanted all these long years. The Ranger brotherhood had erased the age difference, we were all one. It was a happening, everything around us vanished from view, with the music of God Bless the USA in the background, we were caught up in a magic moment, no one wanted it to end. Rangers Rick Auten, Terry Roderick, Larry Smith, Jim Femiano and myself all had shared combat together and now we shared a moment in our lives we will never forget. The happening didn't end there, all were invited to our associations hospitality room at the Sheraton hotel in Columbus, GA. Here the young Rangers talked with Dave Dolby, Roy Boatman, Frenchy Chaisson and many others, one on one. War stories were told, photos taken, addresses exchanged, ETC, ETC. Ranger Rick Auten was told if he'd reenlist for the 1st Bn. they would get him Staff Sergeant (Rick is still built like Rambo). Before long you couldn't tell the young Rangers from the old ones. When a complaint was made about the noise a SGT. from the 1st Bn. stood on the table and announced, "A company, clear the first floor, B company, clear the second floor, ETC, until we find who made the complaint. Sometime around three in the morning the active duty Rangers left for Ft. Benning (with designated drivers), the happening was over. But, I know a group of Vietnam Rangers that will never forget that night. So on behalf of Rangers Rick Auten, Terry Roderick, Larry Smith, Jim Femiano and myself - Thanks is not enough - we owe you guys one, you are our brothers and the association is Damn proud of every member of the 75th Ranger Regiment. Go with God and always move forward. To all other Ranger associations, I was told repeatedly during the Rendezvous that the Rangers of the regiment wish we wouldn't stay in our association groups, they want us amongst them, they see us as their walking history. They want to hear your stories one on one, so let's move amongst them at the

next Reunion/Rendezvous in July 1994. Let them know who you belong to, where you were, what you did and that we are proud of each and everyone of them. **RANGERS, LEAD THE WAY! DUKE DUSHANE P/75**

RANGER HALL OF FAME INDUCTIONS

Our association had two members inducted into the Ranger Hall of Fame on 20 July. Dave Dolby C/75 - N/75 - BDQ and Gary Littrell C/1/75 - BDQ - RGR INSTRUCTOR were the nominees from our association. They joined their brothers, Robert Law I/75, Robert Pruden G/75 and Laszlo Rabel 74th LRP as examples of the Ranger creed. They are all Medal of Honor recipients. As Col. Grange stated, "These inductees represent some of the most extraordinary Rangers in the history of our nation. Their seemingly endless list of significant contributions, selfless sacrifice, loyalty of service, and profound character stand as examples to all professionals. They are a tremendous source of pride and inspiration to us all." In addition, the following people who served in Ranger/LRP units in Vietnam were also inducted: George Pacerelli E/52 & H/75, Henry Caro N/75, Neal Gentry L/75 and Arthur Stang (S2, 173rd Abn Bde). Caro, Gentry, and Stang are deceased. Duke DuShane (designer of the medallion) presented the medalions to our inductees. **SECRETARY**

CORRECTIONS TO MONUMENT

Many phone calls were received from our members pointing out discrepancies on our monument inscription shown in the last issue of PATROLLING. The first being that Donald S. Newton was not serving as a LRRP at the time of his MIA status. He has been removed. The dates of the Grenada campaign were incorrect. The dates are Oct. 83 - Oct 83, it has been corrected. Thanks to all who called to correct the mistakes. The association needs conscientious people who are aware of what is going on with your association and your comments and constructive criticism are always welcome. **SECRETARY**

The following Rangers also attended this reunion. John Leppleman C/75, Ruben Dominguez E/75, Frank Van Evers 74th LRP, Marty Martinez 74th LRP, Clavis Taybron, C/75, Richard Wells N/75. Duke DuShane and Roy Boatman stopped to visit Mitch Brown P/75, Speedy Gonzales O/75 and Patrick O'Brien N/75 during the trip. After two weeks on the road with Duke DuShane, it was a welcome relief not to wake up and see Duke's coyote ugly face! A hell of a good time was had by all.

Three P/75 Rangers, after attending the 1993 Ranger Rendezvous at Ft. Benning decided to head south to Florida for an extended R&R. TL Femiano (Center) and his two Kit Carson scouts, Rick Auten (Left) and Terry Roderick (Right) complete a successful insertion at LZ Cocoa, Florida. HOOAH! **JIM FEMIANO P/75**

After leaving the Ranger Rendezvous, these three Rangers Continued the Mission. A five day mission began with these Rangers tasked to observe the costal areas. They mostly observed scantily clad females near or in the water. Sensing no real danger, the Rangers moved to the west to observe a space shuttle launching (bad intell, didn't happen). The Rangers moved back to the costal area to set up ambushes on the Atlantic Ocean. Six separate ambushes were initiated with the results being 3 KIA (1 Dolphin, 1 Cobia and 1 Sail Fish and 3 WIA (all Barracuda). All three Rangers suffered minor sunburn during the mission. After a great meal of grilled Cobia nad Dolphin, the Rangers were debriefed by Douglas Keim A/75 who now resides in Titusville, FL. After the debriefing the Rangers prepared for their next mission, to attend the 75th Ranger Regiment Assoc. Reunion scheduled for the summer of 1994 at Ft. Benning.

Check the front of your envelope. If the second number shown on the second line is less than 93 then this is your last newsletter until your dues are paid. If for any reason you cannot currently pay your dues then drop the secretary a line and your membership will be upto date. You can pay when you are able.

MEMBERSHIP CARD

Attached to this page is your **PERMANENT** membership card. Please remove carefully and keep in a safe place. This card will not be replaced on a yearly basis. Your membership card will be valid upon receipt of your yearly dues. For those who lose or misplace your membership card a temporary replacement card will be issued upon written request to the secretary. Permanent cards will be issued yearly in September for any new members joining up in the previous year; For Example: If a new member application is received in November 1993, a permanent card will not be issued until September 1994. If a current members dues are not received prior to September of the year due, his card will not be valid until all past dues are paid. The reason for this is that the embossing process is very costly and time consuming. The association's thanks goes to Ralph Harter E/50th LRP who volunteered his time, effort and money in producing this outstanding membership card. **SECRETARY**

HOW TO KILL AN ASSOCIATION

Don't participate beyond paying your dues - let "them" handle things. **THEN COMPLAIN THAT MEMBERS HAVE NO VOICE IN MANAGEMENT!**

Decline XXall offices and committee appointments - you're too busy. **THEN OFFER VOCIFEROUS ADVICE ON HOW THEY SHOULD DO THINGS!**

If appointed to a committee, don't work - it's a courtesy appointment. **THEN COMPLAIN BECAUSE THE ORGANIZATION HAS STAGNATED!**

If you do attend management meetings - don't initiate new ideas. **THEN YOU CAN PLAY "DEVILS ADVOCATE" TO THOSE SUBMITTED BY OTHERS!**

Don't read the newsletter or mail from the association. **THEN COMPLAIN THAT YOU ARE NEVER INFORMED, NEVER ASKED, NEVER APPRECIATED!**

Don't encourage others to become members - that is selling. **THEN COMPLAIN THAT MEMBERSHIP IS NOT GROWING!**

And if by chance the association grows in spite of your contributions, **GRASP EVERY OPPORTUNITY TO TELL THE YOUNGSTERS HOW TOUGH IT WAS, HOW HARD YOU WORKED IN THE OLD DAYS TO BRING THE ASSOCIATION TO ITS PRESENT LEVEL OF SUCCESS!!**

THIS IS "YOUR" ASSOCIATION AND WILL ONLY BE AS STRONG AS YOUR PARTICIPATION

TO: 75TH RANGER REGT. ASSN:

Greetings from across the Atlantic. I received my newsletter yesterday and it prompted me to convey my personal greetings to all my Ranger brothers. I must thank the association for reaching out and finding a Ranger who had lost contact with his brothers. Since the founding of our association, I have always wished that I could come and attend one of the reunions, but somehow I'm always tied up with other matters at hand. Maybe one of these days my dreams will come true. Perhaps some day I'll get to meet with my former Ranger buddies and reminisce with my old team mates. It hurts not being able to partake in any of the reunions, however I do enjoy reading about it and seeing photos of former brothers at arms. I want to wish everyone a super time at this summers reunion. Please give my personal greetings to the "Charlie" Rangers of the Vietnam era and to all Rangers who attend the reunion. **TONY LEON GUERRERO C/75 Fahrenheit Str.**
