SOMALIA RANGERS SUPPORT

The Rangers of the 75th Ranger Regiment were once again called to "LEAD THE WAY" in the Somali operation. Our association is a nonpolitical association and will not comment on the decision to commit the most proficient soldiers in the world to a highly debatable political situation. What we will and have done is to support the individual Ranger in any way possible. The Rangers were involved in a operation to detain members of a political group of outlaws. The situation quickly deteriorated into one of the Rangers being trapped and dependent upon their own resources and without support. The Rangers were in contact with approximately 700 to 1000 hostile individuals armed with automatic weapons, 23mm antiaircraft guns and rifle grenades. After losing two aircraft to enemy ground fire and a third aircraft that was hit and also crashed, the Rangers found themselves involved in a firefight that was to last for 16 hours. There was a resupply of ammunition that was dropped to the trapped Rangers from a helicopter. The firefight was in a urban area and that fact further increased the number of casualties as secondary missiles were created by the explosions of grenades on the buildings and concrete. In addition to the six Rangers who were killed there were numerous Rangers wounded. The Rangers using fire discipline killed 500 of the enemy force and wounded an unknown number. Upon receipt of the information that the

wounded Rangers would be medivaced through Germany to the United States. The association made a phone call to Germany asking that some of our members meet the wounded Rangers at Landstuhl hospital and offer our support. Twenty nine wounded Rangers were medivaced to Ft. Benning and were met by members of our association and again the offer to help was presented. At the time of this writing 10 were released to duty and 19 remained hospitalized and we are continuing our efforts to support these Rangers. Eight Rangers were dropped off at Walter Reed hospital in Washington, DC and members of our association have visited and offered their help in any way possible. Many of us from the Vietnam era remember vividly our experiences of being medivaced back to a civilian population who did not support U.S. policy in Vietnam and didn't seem to care about the individual who was hospitalized. That will not happen to our wounded Rangers and to the families of our dead. The reason that will not happen is not because of our association as a whole but because of the individual members who have called and requested information on where and how they can help. I have received numerous letters and calls from our members asking how they can help. In some cases I can provide the information and in other cases I cannot. Department of Defense and Regimental policy limits us to what information is given out. Duke DuShane (President) attended the memorial at Fort Benning and a wreath was present from our association, other members also attended. The funeral's that were held at Fort Benning were also attended by members of this association. Our **brothers** of the active duty 75th Ranger Regiment are exactly that "**OUR BROTHERS**" and our association will support the Regiment and the Rangers in it to the best of our ability. As Rangers we realize that our chosen profession is hazardous to life and limb and the Rangers who have volunteered to do what ever our country asks will always have the support that they deserve. from this association. **SECRETARY**

**RANGERS
 LEAD THE WAY**

ELECTIONS 1994

The association will hold elections at the general membership meeting of the national reunion in July 1994 at Columbus - Ft. Benning, GA. Nominations for the office of President, Vice President, Secretary and Treasurer should submit their intentions to run for office NLT April 1994. Persons desiring to serve this association in one of the above positions need to submit a statement of intent along with a statement of qualifications to the President. A election committee will screen the applications and conduct an interview with the nominee and then will recommend one or two nominees to the general membership. Nominations will still be excepted from the membership but the procedure of an application and interview will greatly increase the prospect of an individual who is elected serving the full term of his election. **The president and vice president under our Constitution and By Laws may not stand for re-election.** The Secretary and Treasurer may stand for re-election in their current positions due to the critically of these positions. **Absentee ballots will not be accepted for election of officers.** The individual units should conduct an informal meeting to determine who their unit director and member to the Board of Directors will be for the period of 1994 - 1996. All nominees should be aware that their election or appointment to one of the positions shown above is one of service and not a courtesy position. Elected officers require a knowledge of the history of units authorized membership in our association, a working knowledge of accounting principles and administrative procedures, and have the personal funds occasionally required to attend official functions sponsored by the Ranger community. Questions or comments should be directed to the President (Duke DuShane)

TO: 75TH RANGER REGIMENT ASSN.

This is to inform you of J.W. (Rudy) Parson's death in May 1993. My husband served with Company C, 75th Infantry (RANGER). Please send an application form for the Ranger Memorial brick. Thank You and please continue to send PATROLLING. **MRS PARSON**

A REMEMBERED RANGER

TO ROY: Please find enclosed a \$240.00 personal check to be used to purchase a memorial brick in honor and memory of Michael Kiscaden C/75. He was my closest friend in RVN. He went to the big LZ in the sky on the 1st of June 1970 during a combat mission. He was a quiet fellow - rock steady - and a hell of a good soldier. I miss him and think of him often. Please help immortalize him at the Ranger Memorial. No doubt in my mind that he would have wanted to be a part of this tribute to the Rangers / LRP's of our era. **GARRY NORSWORTHY C/75** (Thanks Garry, its done)

MEMORIAL BRICKS PURCHASED

The following RANGERS have purchased or had purchased for them Ranger Memorial Bricks to be placed on the walkway leading upto the Ranger Memorial to be dedicated during our reunion in July 1994. **ROBERT GILBERT L/75, DONALD HALL F/51, RON IMEL I/75, FREDERICK WHITE C/75, MICHAEL KISCADEN C/75, ROBERT CREPEAU A/75, DAVID MUNOZ L/75, ROBERT O'CONNER L/75, GARY BAKER L/75, BRYAN KNIGHT L/75, HERMAN BROWN L/75, WILLIAM MARCY L/75, GEORGE FOGLEMAN L/75, CAMMERON MCALLISTER N/75.** Time is getting short on ordering bricks. Bricks need to be ordered and paid for by February 1994 if they are to be in place in July. If you need an application, please contact your unit representative or the association secretary. Many of the names shown above are deceased RANGERS and the bricks were purchased by former teammates or friends. The association thanks those of you who have given so generously to your RANGER BROTHERS. **SECRETARY**

RANGERS RETURN FROM SOMILIA

103 Rangers returned from Somalia on the 22 October 1993 to a crowd of supporters. (See Pic this issue). Lt. Col. McNight reported to the Regimental Commander, "Third Battalion reports mission accomplished . . . Six Killed in Action, 35 wounded and none MIA. . . 103 men present and ready for our next mission." Everyone of these troops exceeded anybody's expectations stated McNight. They took 19 prisoners during the Oct 3 fight and 40 to 50 more in other raids. They might have done it easier, but "Rangers don't leave Rangers" and B/3/75 losses in that fight came mainly because one helicopter was shot down and then another went down, and the Rangers wouldn't leave the fallen troops. "I assure you we could have fought our way out" but we won't leave fallen Rangers. McNight stated, "his troops parachuted into a training area at Fort Bliss on Aug the 1st and had a couple of weeks to train before leaving from Fort Bragg to Somalia. Deputy Defense Secretary William J. Perry congratulated the Rangers on a job well done. "We sent in the Ranger when we always do, when things get tough." General Wayne Downing stated, "it was the Rangers success on their missions that forced the turmoil from the streets into the political arena." "If it didn't, the Rangers can always be put back in." SGT. Edward Yurek said, "He can now appreciate the simpler things in life, like riding a motorcycle and taking a bath." It would be his first shower in two months that was longer than 15 seconds. PFC Matt Pagan said, "It feels great to be back and I want to get a little rest and then prepare for the next mission." SGT. Kenneth Thomas stated, "he had conflicting emotions after the battle, He felt excited to have been through it, grateful to be alive. He felt angry that men had been killed and he also felt guilty that he had not had the chance to grieve properly." Our association is proud of all the Rangers who have taken up the challenge of being ready to serve their country in time of need and who have followed the tradition of never leaving a fellow Ranger, no matter what the cost. Many of the modern Rangers are members of our association and the traditions and dedication to each other continues.

**CONTACT A FORMER TEAM
MATE TODAY**

TEAM MATE FOUND

Hearing from you the other day sure made my day. I lost your address shortly after your phone call to me in January. I had been waiting for you to send me an application for membership and hoping that you hadn't lost my address. Roy, I never received the letter you said you sent in June, an boy am I happy you are persistent in your effort to stay in contact. I'm sending my application to the address in Salisbury, today! I hope I'm eligible for membership as my time served with you was cut short when I was Medivaced out of country. I have no documents to provide as proof of my service with the company, other than names of team members. My heart has always been with the Rangers, my life has been permanently influenced from the time I served my country as an Army Ranger. My prayers and thoughts were always with the LRP's and Rangers who followed through the different campaigns. Now that I know that the 75th Ranger Regiment Association exists, I would be proud to be a member of the TEAM again. I'll start saving and planning in hopes to make the reunion at Ft. Benning in 1994. It will be great to meet with fellow team mates after all these years. **GEORGE LEININGER N/75**

Ed. Note: George's letter makes my day. Contacting a former teammate after 20+ years is deeply satisfying as most of us who have taken the time to find old teammates and friends can vouch for.

JAMES SAVAGE I/75

James reports that he has been elected as the National Judge Advocate for the 105,000 member Reserve Officer Association. His reserve assignment is as assistant counsel to the Defense Management Command, Northeast Region. In civilian life he is chief counsel for the Army Research Lab. **Ed's Note:** Sounds important to me, James! Drive On!!

SURGERY

Oliver F. Williams C/75, recently had open heart surgery. He was late in paying his dues and wrote to explain the reason why. Please let the secretary know when you are having problems, maybe we can help. We hope you recover real soon. **DRIVE ON!**

GUEST SPEAKER

Duke DuShane (President) was the quest speaker at the Ranger Class graduation on 14 October 1993. Riley Miller (Vice-President) is scheduled to be the quest speaker on 5 November 1993. The association is extremely proud to provide the RTB with guest speakers of such a high caliber and we are honored that our association was asked to do so. **SECRETARY**

A RANGERS MOM

Please accept this check for the 75th Ranger Regiment Association. It is given in memory of those RANGERS killed recently in Somolia. I think it would be fitting for their names to be placed on the Ranger Memorial at Ft. Benning. I'm looking forward to being there to see it "unveiled" this summer. **A RANGERS MOM, SUSAN WINTERS.** I would also like the address of Tony Raila who served with my son. **Eds Note:** For those of you that are not aware of it, Frank Winters C/1/75 was killed during a helicopter accident at Ft Bragg on 25 September 1987. Susan has been a supporter of our association over the past few years and continues her sons membership with us. The address was sent. **SECRETARY**

TO: 75TH RANGER REGT. ASSN.

Enclosed is a small token of my appreciation and love for the Rangers. I lost my Ranger son, Harold Sides P/75, in 1970. I searched for twenty years trying to find someone who served with Harold. Finally in 1990 I noticed in one of my service type magazines that the 75th Rangers was having a reunion in Colorado Springs, Colorado. I wrote to the contact and he gave the letter to Duke DuShane. This wonderful man went hundreds of miles out of his way to visit my wife and me. God had finally answered my prayers. After 20 years of talking to him. Duke gave me the opportunity to join the association and I have been so very grateful to him for that privilege. He gave me Jay Lutz's address which I had been seeking all this time, because he was one of Harold's friends. I told Duke how I depicted Harold as a Ranger and he concurred 100 percent. That eases the pain of losing him very much, for he always gave his best effort in anything he did. After 23 years, I can close my eyes and still see that big guy with his friendly smile. Give my best regards to Duke and the association. May God bless all of you in your endeavors to do good. **JOHN W. SIDES, SR.**

LRSU GRADUATION; FT HOOD

The Ranger Training Brigade contacted our association and asked if we had a former member from the Vietnam era to be the guest speaker at a LRSU class that was being given at Ft. Hood, TX. Our association contacted Marty Martinez 74th LRP and asked him if he would represent our association. He stated, "he would be honored to speak to them." Marty addressed the graduating class and its guest. In part he stated, "THE EYES AND EARS OF THE COMMANDER is not a new concept and has progressed down through the Army's history. The team is glued together by the trust in each other and their faith lays in the leadership displayed by those that are in charge, beginning with the Team Leader, Asst. Team Leader and to the Commanding Officer. The stress, anxiety and adrenal flow that a LRSU experiences while on a mission cannot be described or compared to any thing, nor understood by others. Only those that have gone before them understand it. The LRSU asks for no special favors or recognition, and their satisfaction is in devotion to duty, professionalism, and knowing that they are the "Eyes and Ears of the Commander." **MARTY MARTINEZ 74TH LRP** **Eds Note:** The association was told by Cpt Reardon of the RTB that Marty did an outstanding job as our representative and he was presented a coin by the RTB. Marty has been doing some outstanding work on behalf of our association. He recently made a wreath that was around two posters depicting our LRP and RANGER units during the Vietnam War. (See Photo this issue) The wreath was displayed at the Moving Wall during its visit to Ft. Hood. I recently had the pleasure of meeting with Marty in San Antonio and served with him in Vietnam. He is an outstanding individual and the association is proud of him. **THANKS MARTY! SECRETARY**

TO 75TH RANGERS

I really appreciate receiving the PATROLLING newsletter. Being a "HOG" that served with all of you, I find the newsletter as a way to keep in touch. The reunion was super and I enjoyed becoming reacquainted with those who served so proudly. My son who is in the Air Force made a needle point wall hanging for me and I would like to include the words which so apply to all of us. **PHILLIP LOFTUS F/75**

APPRECIATED.

TO: ASSOCIATION MEMBERS

I served with George Paccarelli in E/52 and H/75 (68 - 69). I can think of no one who deserved to be in the Ranger Hall of Fame more than he does. He was one of the officers I served with that I honored, respected and the only one I ever feared. He was a true leader and as a Team Leader I always tried to do my duty as he would. I have no heroes in my life except for George Paccarelli. **CAL RENFRO E/52 & H/75**

KILLER 1-6

The men had their mission, they knew it well,
Willing to march into the jaws of Hell;
Rucksacks packed and 16's clean,
Camouflaged faces - loam and green;
Birds on call, 15 minutes ETA,
No one has a lot to say;
Make small talk, grab a smoke,
Horse around and tell a joke;

The mission is there - foremost in thought,
The men are tense, but don't get caught,
Displaying emotions of dread and fear,
Regardless of thoughts, their minds are clear;

"Get it on" the birds are here,
down to the pad, the time is near;

A team lifting off is really a sad sight,
Those six Rangers won't be back tonight;
You give them the sign as they leave,
They give it right back and you believe,
that instead of six, they'er seven now,
cause God is there with them somehow;

Legs dangling and windblown hair,
Not talking or laughing, only silent prayer;
"Chamber a round at Alpha - 4
Everyone exit the same door;"

The bird is hovering high off the ground,
An enemy weapon speaks silent death, a bird is down;
Out of six, one survived,
God had taken the other five;

Five men who together had humped many clicks,
Now we only have a memory of KILLER 1-6
