### HOSPITAL VISIT

Wanted to drop the Association a line on our visit to the Rangers at Walter Reed Hospital on November the 12th (Veterans Day). Mike Kentes K/75, George McDonnell L/75, and myself went over to cheer up and visit some of our wounded Somalia Rangers. The Rangers we saw were SSG Barnes, Sgt Galentine and Spc Rodriguez. These Rangers were somewhat surprised when we walked in with our 75th Scrolls on our fatigues from Vietnam. We had a nice visit with them along with the parents of Sgt Galentine. The trip to the hospital made our three day visit worth while to Washington, DC. The wounded Rangers told us that they would probably be in the hospital for another 4 weeks. **GARRY NORTON P/75**

### RANGER HALL OF FAME NOMINATIONS

Our association recently sent our nominations for The ROH to the Ranger Training Brigade. The following Rangers will join their brothers of this association and Rangers from other eras during the induction ceremony in August at Fort Benning, GA. Peter Lemon I/75 (MOH) and Gary Lemonds F/75 (DSC) will join their brothers Robert Law I/75 (MOH), Robert Pruden

G/75 (MOH), Laszlo Rabel 74th LRP (MOH), Gary Littrell BDQ (MOH), Dave Dolby C/75 (MOH). Peter Lemon was awarded the Medal of Honor for his actions with the Recon Platoon of 2/8 Cav, 1st Cavalry Division after I/75 was deactivated. Gary Lemond was awarded the DSC for his actions with F/75. Peter Lemon who likes to keep a low profile accepted this honor after a letter to him stating that this honor not only reflects upon his self but the men in the units he served with. The association is extremely proud to nominate these two outstanding examples of the RANGER spirit and devotion to duty and their fellow soldiers. Make plans now to attend this extraordinary event during the August reunion.

### HONORARY MEMBERS THANKS

TO DUKE DuSHANE AND MEMBERS: I am writing to express my appreciation to you and the 75th Ranger Regiment Association for making me an Honorary Member. I am well aware of the honor which you have given me and I am proud to have been selected. You know of my admiration for the work the LURP's accomplished in Vietnam. The book you gave me, gave me a much better insight into LRP operations and reinforced my respect for what all of you did in combat. Since working with you in connection with the Ranger Memorial Foundation, my regard for your association has risen even higher. You have always been very cooperative and supportive of anything I have asked. All of my contacts with your association show it to be highly organized and efficient - the way I expect LURP's to be. Thank you for this honor. Please express my appreciation to your directors and members. I also appreciate the privilege of speaking to the Ranger Indoctrination Program graduates on several occasions. That is a responsibility which I do not take lightly. I hope that you will call upon me again. **RALPH PUCKETT, HOF - 8TH ARMY RANGER CO.**

### NON COMMISSIONED OFFICERS COURSE

The Non-Commissioned Officers Course has formed a locator service to try and help former graduates (Shake and Bakes) to stay in contact with each other. Drop a note to the below address if you were one of the graduates between 1967 -1975.

## LETTERS

I'm sending my renewal fee (dues) for the association, . . . "no Excuse" for this Ranger not making contact sooner. This year has been busy for those still carrying that ruck and looking at the altimeter at pull altitude. I'm still on Okinawa with a new bride and a new job running an SF company. Still have Chief Bates L/75 in the AO with me and a bunch of battalion Rangers from the Grenada and Panama era who are presently on A-Teams with the 1stBn, 1st SFG (Abn). Give my best to the Regiment and to all our members. RODOLFO TEODOSIO N/75 & C/2/75.

## SNIPER INFORMATION SOUGHT

A person by the Name of Keith Everett is seeking material for a book on the art of sniping. He states he is reaching out to a wide group of veterans in order to draw upon a myriad of experiences. The final result will be a solid manual on training, tactics, and anecdotes of snipers and their teams. Address is: 260 S. Atlantic Drive, Tucson AZ 85747

## FATHER AND SON IN RVN

A father and son who hadn't seen each other for five years were reunited at Company O (RANGER), 75th Infantry. Carl Robinson (Father) was originally slated to go to the 173rd Abn Bde when he arrived in country during June 1969. Carl had served two previous tours in RVN was in processing at Cam Ranh Bay when he was asked if he had any brothers or other relatives serving in RVN. He told them that he had a son whom he hadn't seen in five years that was serving with the 3rd Bde, 82d Abn Div. The process of transferring the sergeant to the 82d began and within four hours he was on his way to join his son, Victor Robinson. Carl had two other sons that were currently serving overseas, one with the 1st Cav and one in Korea. Carl had served for two tours with the 173rd and as a MACV advisor in the Mekong Delta. ## MEMORIAL BRICKS PURCHASED

The following RANGERS have purchased or had purchased for them Ranger Memorial Bricks to be placed on the walkway leading up to the Ranger Memorial to be dedicated during our reunion in July 1994. TAK HOM C/75, O.R. (HOB0) HOGGARD C/75, RONALD JONES L/75, JAMES SALTER L/75, MICHAEL LYTLE L/75. Nine (9) more bricks have been purchased by members whose names have not been forwarded to me from the RMF. Thanks to all of you who have purchased bricks for your fallen comrades. Bricks will still be available after the dedication. **SECRETARY**

## TO: 75TH RANGER REGIMENT ASSOC.

My name is Matthew Goff. I am a chaplain on active duty here at Fort Bragg. Someone recently gave me a copy of the December issue of PATROLLING. As I read the newsletter, I was reminded of the bond I have with the Rangers and the good memories I carry. I served in the regimental headquarters from Oct 1984 to December 1988 as the Signal Detachment commander. Please send me information on how I may join the association. **MATTHEW GOFF HQS/75** Eds Note: Information was sent. The bond that we all formed by serving as US Army Rangers is evident from all the different eras and in the regiment.

## 9TH DIV LRRP-LRP-RANGER REUNION

On the 16th - 18th of July 1993, former members of the LURP's and Rangers met for their first reunion at the BWI Airport in Baltimore. Twenty five years became yesterday as if by magic. Old friendships and faces brought back memories, mostly good, of another time and place. The families that were present added to the positive good feelings as wives sons and daughters watched names of old friends mentioned in passing became faces of real people. The event only occurred because of the dedication and desire to meet and renew old friendships by the five men who attended the association reunion in 1992 at Fort Benning. Plans were made and attempts to locate old teammates were successful and the reunion was on. Apprehension and concern about personality conflicts turned out to be totally unjustified as the men laughed and joked together for the first time in a very long time. Meeting people who were so much like like you was like looking into a room full of mirrors and very reassuring. These were men you could count on, no matter what. All attended a memorial service on the morning of the 17th and a short meeting followed where we all agreed to meet again in Las Vegas in 1995. A dinner dance followed that evening. The weekend ended with a trip to THE WALL to remember those friends who were gone but will never be forgotten. **ROY BARLEY E/50 LRP** Eds Note: The association highly recommends that the units have individual reunions every other year on the odd numbered years as the association has a national reunion every two years on the even numbered years.

## HONORARY MEMBER

Our association is proud to announce that Ranger Phil Piazza (Merill's Marauders) has been appointed an honorary member. Phil's help has been instrumental in the success our association has had over the years. Phil is an extraordinary gentleman and was our First guest speaker at the reunion in 1988. Phil can always be found where ever Rangers gather. His contributions to the Ranger community are to numerous to mention. **DUKE DUSHANE** (President)

Even though John has been deceased for 10 years, he is remembered by the men who served with him as a good LURP and was well liked and respected by the men in the company. He will be missed. (Eds Note) Ron Kiser (Unit Rep) found out about John's death while looking for former members of the V Corps Abn LRRP Co. and asked that this tribute be put in PATROLLING.

### **PROXIE VOTING AT REUNION**

Members who cannot attend the 1994 reunion can exercise their vote by writing a letter to their unit representative and to the secretary stating that they wish to transfer their individual vote (on all matters except "Election of Officers") to their unit representative. The unit representative must have a copy of the letter to compare with the secretary's copy. All votes will be tallied to include the proxie votes. Proxie's given to any one other than the unit representative will not be counted. Membership must be current. **SECRETARY**

### **OFFICER ELECTIONS**

### **FORMER RANGER GUEST SPEAKERS**

Our association was contacted by the RTB and a quest speaker was requested for a Long Range Reconnaissance Leadership Course graduation that was being held at Fort Lewis, Washington. Duke called Robin Kristiansen, L/75 to represent us at the graduation and be the guest speaker. Robin was bumped at the last minute by a General who had a son in the graduating class. He did get to speak with the class prior to the ceremony. Darol Walker F/58th LRP wrote and told me of him recently speaking to the "PRE RANGER COURSE" that was being held at Fort Campbell, KY in December of this year. In part, he stated, "It was my privilege to be able to speak to the Pre-Ranger Course graduation ceremony conducted by the 2nd Brigade, 101st Airborne Division (Air Assault). I was very proud of the fine young men who participated in the course as well as all the Pre-Ranger Course instructors. I spoke to them about how proud I was to have been the first ISG of F/58th LRP and how that company was re designated as L/75th (Ranger) and that units heritage is continued with the LRSD." Darol has a renewed interest in the Ranger School due to the fact that his youngest son who graduated from West Point is a member of class 4-94 and will graduate on 18 March if he is not recycled. Note: Thanks to both of you for staying involved in your association and for giving of your time to help carry on the spirit of the units that make up our association.

### **RANGER CREED**

Recognizing that I volunteered as a Ranger. Fully Knowing the hazards of my chosen profession, I will always endeavor to uphold the prestige, honor, and high "Espirít De Corps" of the Rangers

Acknowledging the fact that a Ranger is a more elite soldier who arrives at the cutting edge of battle by land, sea, or air. I accept the fact that my country expects me to move further, faster and fight harder than any other soldier.

Never shall I fail my comrades. I will always keep myself mentally alert, physically strong, and morally straight and I will always shoulder more than my share of the task whatever it may be. One hundred percent and then some.

Gallantly will I show the world that I am specially selected and well trained soldier. My courtesy to superior officers, neatness of dress, and care of equipment shall set the example for others to follow.

Energetically will I meet the enemies of my country. I shall defeat them on the field of battle for I am better trained and will fight with all my might. Surrender is not a Ranger word. I will never leave a fallen Comrade to fall into the hands of the enemy and under no circumstances will I ever embarrass my country.

Readily will I display the intestinal fortitude required to fight on to the Ranger objective and complete the mission, though I be the lone survivor.

**ASSOC. COLORS AND MEMORIAL STONE**

Association and national colors have been ordered and we expect to receive them in early April. Our association has long needed the colors at parades and other events that we attend as a whole. The picture below does not do justice to the design that Duke DuShane drew up. The diagonal upper right half is blue in color, while the diagonal left lower half is red in color. The scroll showing the LRRP/LRP is white with red lettering. The Medal of Honor ribbon is directly below the LRRP/LRP scroll and the "RANGER" is in white lettering. A brown eagle holds the unit crest and is gold, blue, green, white and red.

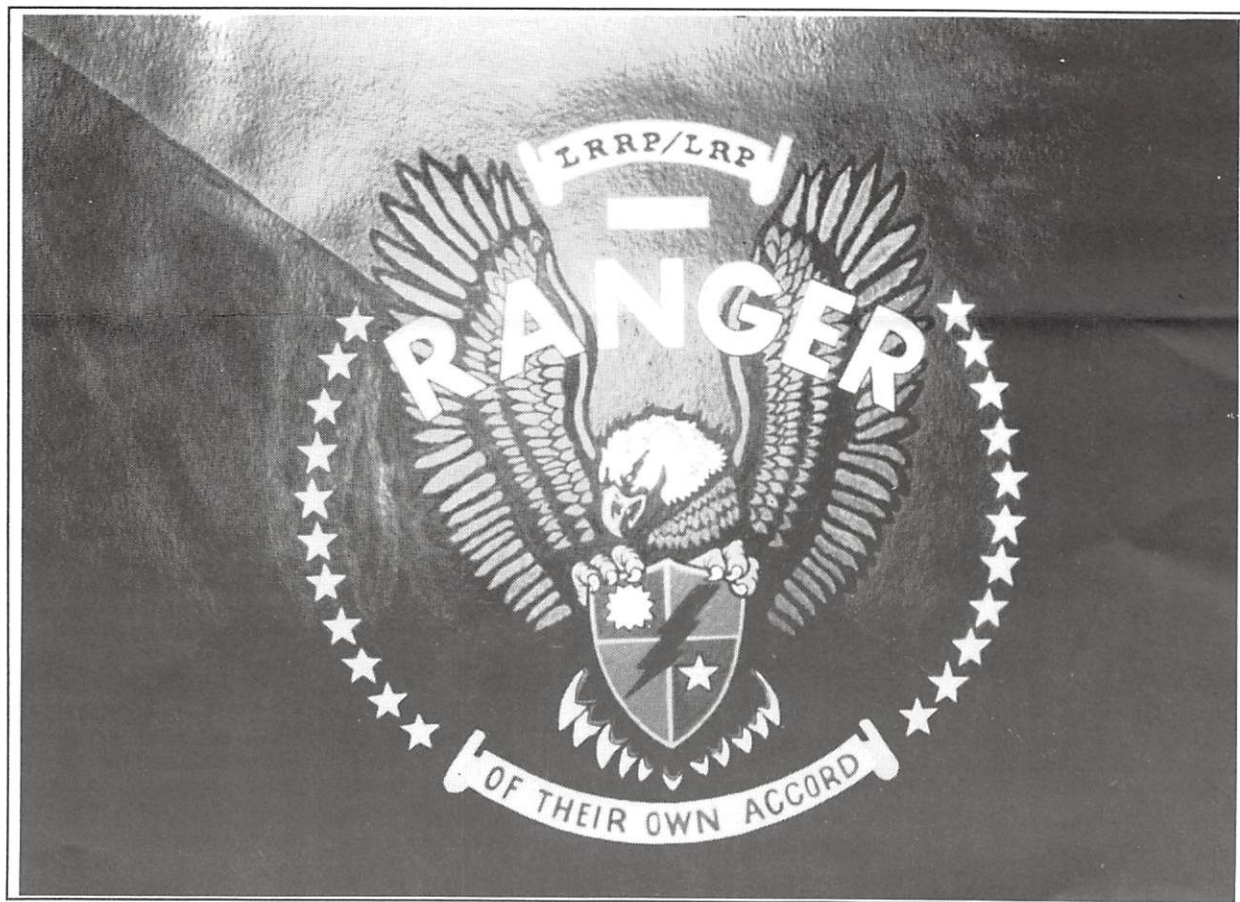

The motto "OF THEIR OWN ACCORD" is in a scroll of white with blue lettering. The battle streamers will be attached at a later date. The colors will be on hand at the Ranger Memorial dedication. **PRESIDENT**

**ASSOCIATION MEMORIAL STONE**

A memorial stone will be placed in the Special Warfare plaza at Fort Bragg in late April or early May. The stone was designed by Duke DuShane and will be dedicated in "Memory Of Our Rangers Brothers Who Have Fallen In War And Peace". The stone will show all of the scrolls from the Vietnam era and 1st and 2nd Bn's that were present prior to the active regiment. The Vietnamese Ranger scroll is also depicted. Anyone desiring to attend this dedication should contact the secretary who will call you when the exact dates are firm. **SECRETARY**
