**** REGISTER EARLY ******WHY ATTEND A NATIONAL REUNION?**

Our association holds national reunions every two years on the even numbered years 94, 96, 98 . . . , this will be the 4th national reunion since the first one in 1988. The 88 reunion was held at Columbus/Ft. Benning, the 90 reunion in Colorado Springs, the 92 reunion was scheduled for Fayetteville/Ft Bragg but was moved to Columbus/Ft Benning so we could participate in the 50th Anniversary of the founding of the RANGERS. The membership decided that the 94 reunion would again take place at Columbus/Ft. Benning. The membership will decide at the general membership meeting where the 1996 reunion will take place. The trend to have our reunion at Columbus/Ft. Benning is understandable as that is the home of the Ranger Regiment and the Ranger Training Brigade. Many of our members who reside west of the Mississippi would like to see a national reunion take place in that part of the country. What is needed is that an individual or group of members take the initiative to coordinate a reunion out west. Please don't ask the elected officers of your association to try and arrange a reunion 1000 miles away in a town they are not familiar with. We did that in 1990 and it required a massive amount of time and required that I make a

trip to Colorado Springs a month prior to our reunion. Approximately 65 Rangers showed up for this reunion, a small turn out in my opinion in comparison to the 185 for the 88 reunion and the 225 for the 92 reunion. So if you would like to have a reunion in various parts of the country then you need to present your recommendation to the membership and be ready to take charge and do the arrangements. I personally will attend the reunion no matter where it's held. The background information above leads me into the reasons why we should attend our national reunions. We all made a commitment to each other in years past and to our association by our membership in the 75th Ranger Regiment Association. Renewing that commitment is very satisfying to say the least. We pay tribute to our dead at ceremonies, we memorialize our MIA's by naming buildings after them, we enshrine our members in the Ranger Hall of Fame, we honor our units that we all served in and by our presence show the rest of the world our commitment to each other and the Ranger spirit. We party hard and the camaraderie with the active duty Rangers has to be experienced to be understood. The examples were set during World War II by the Merrill's Marauders and the Rangers of the 1st - 6th Bn's and continued with the Korean War era Rangers and the Vietnam LURP's/Rangers and passed on to the Ranger veterans of Grenada, Panama, Iran, Iraq and Somalia and finally to the Rangers of the active duty Regiment. As long as we come together we keep alive the memories of our dead and pass on the Ranger spirit. I'll be there to not only meet the former members of my unit but to meet all of the members who at one time or another gave of themselves to their teammates, it's a bond we share and by our presence at our reunions it is renewed, year after year. **ROY BOATMAN 173RD LRRP, 74TH LRP, N/75 RANGER.**

ROBB WALKER GRADUATES

I want to thank you and Duke for the interest in my my son's graduation. Duke came to the graduation and helped me welcome Robb into the Ranger brotherhood. He presented him with a copy of the Ranger History and a copy of PATROLLING. It was good to see Duke and some of the "old guys" who came to the graduation. Class 4-94 graduated 119 new Rangers to serve proudly in our armed forces. Thanks for all the work you do! **Darol Walker F/58 LRP** (See Picture)

ASSOCIATION DIFFERENCE

To: 75th Ranger Regiment Association; I am a lifetime member of the 75th Ranger Regiment Assoc., #094. I served in the 3rd Ranger Battalion, Ranger Indoctrination Program and at Regimental Hqs continually from June 1986 - March 1992. Since being separated due to injuries sustained during Operation "Just Cause", I have only received information passed to me from active duties members of the 3rd Battalion and Regt. Hqs. Three weeks ago, before relocating from Columbus to Virginia, a friend at the the 3rd Battalion gave me a copy of PATROLLING dated March 1994. The letter is a good informative newsletter. I would like to inquire if I can be put on the mailing list since I am no longer close to Ranger Country. In addition if you can provide information on any Rangers in Fairfax or Prince William counties Virginia, I would greatly appreciate it. **STEPHEN JIMENEZ EDS** NOTE: First of all, Stephen is not a member of our association. Many of the active duty members think that their membership in the "Ranger Regiment Association" entitles them to PATROLLING and the other programs your association is involved with. The names of the the two different associations are confusing as they are closely named. Upon leaving the active duty regiment many Rangers think they are members of our association. When they receive no information or newsletter, they write me and ask why they are not receiving anything, PATROLLING, Etc. **ACTIVE DUTY MEMBERS ARE ELIGIBLE FOR MEMBERSHIP**, but they must understand the name difference. We are not the "Ranger Regiment Association". Membership is open to the LURP's and Rangers of the Vietnam era, 1st and 2nd Bn's 75th Inf (Ranger), Active duty 75th Ranger Regiment, and units carrying the Lineage of the above units, for example the LRS units. I have explained the mix-up to Ranger Jimenez and I look forward to his membership application. **SECRETARY**

ASSOCIATIONS ACCOMPLISHMENTS 92-94

Shown below are some of the accomplishments and projects your association has been involved with over the last two years. Much of the work has been accomplished by a few individuals who have given of their time and experience to help further the goals that the membership has directed at all of our general membership meetings. The association thanks all who have contributed towards the success our association has enjoyed and we will continue to ask the elected officers and members to help when they can.

BUILDINGS AND MONUMENTS

The LRSLC classroom was dedicated in the name of Laszlo Rabel, the only member of the Long Range Patrol companies and detachments to be awarded the Medal of Honor. Former commander, Dick James spoke at this dedication.

The Ranger Memorial will be dedicated during this years reunion. Duke DuShane has sat on the advisory board as our representative since its inception in 1992. Additionally, Duke designed our individual monument which includes the inscription of 20 campaigns, Medal of Honor recipients and MIA's names.

A memorial "In The Memory Of Our Ranger Brothers Who Have Fallen In War And Peace" will be dedicated at the Special Warfare Plaza at Ft. Bragg this month. Duke did the design and Roy Boatman made the arrangements with USASOCOM. (See Pic this issue)

The Airborne and Special Operations Museum is a long term project scheduled for completion in the late 1990's. We will have a display of all Ranger operations since W.W.II and the display for the Vietnam era LURP's and RANGERS will depict a team being extracted by rope with a POW. Roy Boatman is the Association representative on this project.

REUNION's/RENDEZVOUS's

This reunion will be the 4th national reunion and work is going on daily to ensure this is one of the best. A Rendezvous was held in July 1993 and our members participated in a parade much as was done during the 1992 reunion and 50th anniversary. Members have attended the open houses conducted at the Mountain Ranger camp and at the Florida camp. Many members attended the 1st Battalion reunion at Savannah, GA last month. We have had representatives visit the wounded Rangers from the Somalia Operation and have sent flowers and representatives to all of the Rangers who have been killed in action or in training.

BEST RANGER COMPETITION

The association has presented plaques in the associations name to the winners of the Best Ranger Competition for the past two years. Duke DuShane and Roy Boatman have attended all events of this three day rigorous competition.

VIETNAM LURP AND RANGER RECOGNITION

This project is still on going and has required numerous hours of work and meetings. A packet has been prepared and is now in the hands of SOCOM. Joey Welsh and Roy Boatman have been the primary people working on the project. Hopefully this project will produce results in the near future. Unit histories have been requested from the unit representatives and will be sent to the Military History Department at Carlisle Barracks, PA.

NEWSLETTERS/MEMBERSHIP

Nine thousand six hundred (9600) copies of PATROLLING have been produced and distributed to the membership and potential members over the past two years. The unit representatives from K/75 and F/75 have been finding former unit members at a rapid pace for the past few months. Association membership now stands at over 700 members.

Our association has had four members inducted in to the Hall of Fame. The names mentioned are only a few of the people who have contributed in time and money for our members and also for the people who don't see the reason for joining an association who works for all of us (members or not). Your contributions have enabled us to build our monuments and see that our sacrifices are not forgotten. Without your support, none of this could have been accomplished. See You At The Reunion!! **SECRETARY**

AIRBORNE & SPECIAL OPNS MUSEUM

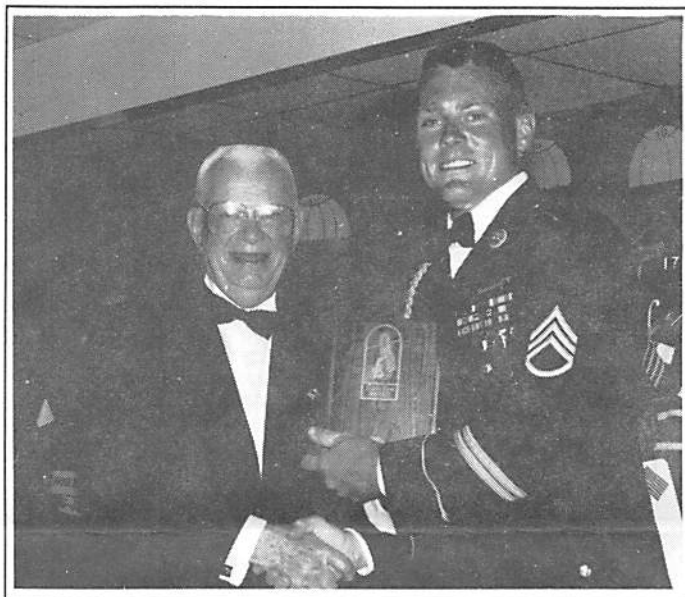

The Airborne and Special Operations Museum is an ambitious project (\$12,000,000) and is schedule to be completed in the late 1990's at Ft. Bragg, NC. Roy Boatman is the association representative for our association. He recently attended three days of meetings concerning the implementation of the concept of building the museum and its name and contents. At this time the LURPS/RANGERS of the Vietnam era will have a life size display showing a team with a POW being extracted by STABO rig. A display depicting the combat operations of the 1st and 2nd Battalions, 75th Infantry (Ranger) and the Ranger Regiment are also planned. A letter was sent to the Museum Foundation requesting that our Medal of Honor recipients receive special recognition and be shown as the first and only LRP (Lazslo Rabel), first recipient by a Ranger serving in a Ranger unit (Robert Law, Robert Pruden and Gary Littrell). They would join the first paratrooper (Paul Huff) and the first Green Beret (Roger Donlon) to be awarded the MOH as specially recognized members of the Airborne and Special Operations community. **SECRETARY**

GRANGE & GRANGE

Lt. Gen. David E. Grange (left) then Col Grange commander of the 3rd Bde. 101st Abn Div and BG David L. Grange then Lt Grange, Co L 75th Inf (Ranger). Lt Grange was just returning to duty after being wounded on a Ranger Patrol and being released from the 85th Evac Hospital. This father and son have "LEAD THE WAY" for more than 50 years. Gen. Grange is a recipient of the coveted CIB (3rd award) and served with the 82nd (WWII), 187 Regimental Combat Team (Korea), Vietnamese Airborne Ranger Advisor, Battalion Commander 101st Abn Div, and Brigade Commander 101st Abn Div. (Three tours in RVN). Gen. Grange also served as a Ranger instructor and Commander of the Ranger Committee at Fort Benning. Gen. Grange is a veteran of 22 campaigns in three major wars. The Best Ranger competition is named after him. BG Grange has served as a platoon leader in L/75 (RVN), Recon Advisor to the 81st Airborne Ranger Group (2nd tour), 1st Bn 75th Inf (Ranger), commander of C/1/75 during DESERT ONE (Iran) and took part in URGENT FURY (Grenada) as a SOCOM participant. He also served in Iraq in a Recon element while he was the commander of the 75th Ranger Regiment. His current assignment is again with the Special Operations Command at Ft. Bragg while awaiting his confirmation for Brigadier General. Our association is extremely proud of these two outstanding examples of RANGERS and all of the fathers and sons who continue to provide our nation with the best soldiers and RANGERS in the world. But we wouldn't want to be around family gatherings when the war stories start. **NOTE:** David Grange was presented his star on 5 May 1994. The ceremony was attended by Duke DuShane, Marion DuShane, Roy Boatman, Joyce Boatman, Bob Gilbert and Phil Kossa. The association congratulates Dave Grange on his promotion.
