PATROLLING

VOLUME 9 ISSUE 1

The association memorial stone was dedicated at the Army Special Operations Forces (ARSOF) Plaza at Fort Bragg, NC on 9 December 1994. The stone is dedicated to our KIA's and those who died in training, from the units that make up our association. Duke DuShane (monument designer) and a young Ranger from the Regiment stood at attention as the narrator read a brief statement detailing our exploits in Vietnam. All units that make up our membership are shown on the 8ft by 3ft memorial stone. Bagpipes (Amazing Grace) and Taps were played by members of the ARSOF community. The ceremony was one of the best that I have ever attended. LTG Scott made a short speech and we were invited to put the names of our KIA's along side the Special Forces KIA's. The Special Operations community of SF and Rangers had static displays available for viewing and a tour of the newly dedicated USASOC Headquarters was held. Several members of our association attended the ceremony and a lunch was hosted after the dedication. Invitations were sent out, at our request, to all the founders, unit representatives, officers and local members. Members attending: Roy Barley (President), Rick Ehrler (VP), Roy Boatman (Sec), Duke DuShane (Past Pres), Bob Gilbert (Past Pres), John Kingeter, Ralph Dunham, Ed Beal, Bill Dunham, Phil Kossa, Jack Fuche, Terry Roderick, Walter Butts, Bill Palmer, Pat Tadina, Joey Welsh, John Starnes, Wayne Parker, Doug Keim, Bill Ramsdell, Doc Coffin, SGM Bierhaus, SGM Rabago and Bill Lloyd. Hope I didn't miss anyone! Meetings were held over the next few days by the current officers and a course was decided upon for our association for the next year and half. As always, whenever the LURP's/Rangers gather, a great time was had by all. **SECRETARY** (See pictures this issue)

I called the Frye family to express our condolences to them and talked with Gary's daughter. According to Gary's daughter, Gary died from an overdose of drugs prescribed by the VA in a PTSD program he was participating in. I then talked with the unit representative (Dan Pope) who is familiar with the PTSD program. Seems that many of these programs leave a lot to be desired. Please check out the program before entering it.

LETTERS

I have not received any newsletter or anything else from the association for the past year. If I don't hear from the association, why should I pay? I have always paid my dues and here is my \$20.00 for the next year. WAYNE LOTT 1/75 Eds. Note: I called Wayne to check on why he has not received any newsletters and to insure that his address was correct. Back newsletters were sent the next day. Please call or write the secretary if you don't receive your newsletter in MAR., JUNE, SEP., DEC. The newsletter is our method of communication between reunions and we want to stay in contact with everyone

My name is Karen Glen and my father (Jay Lutz) served with P/75. He received the newsletter about Paul (Blinky) Morgucz and his need for temporary financial assistance. When I asked my dad what he wanted for Christmas, he said all that he wanted was for me to make a donation to Blinky - in lieu of buying him a present. So that's what I'm doing - I hope it helps the family. KAREN & DALE GLEN Note: The members and their families have responded to one of our own. Helping each other is one of the things that our association is all about. During a recent call to Blinky, he wanted us to thank all who have helped. We wish Blinky and the Morgucz family the best.

Just a short note to say the last newsletter was great. Sadly, I knew a couple of the Rangers killed in those training accidents. I also liked the write up on Pat Tadina N/75. I am doing a Ranger research project and would like the list of awards for Tadina. He is a great candidate for the Hall of Fame. I would like to nominate Billy Walkabout L/75 for that honor, I recently saw him and he is fine. Prison restrictions are getting even tougher, they're very specific about sending even books. AL NEWMAN 1/75 Note: All recommendations for the Hall of Fame need to be sent to the unit director who will put them in a specific format and will then forward them to the Association. Thanks for the input Al, we always appreciate active participation.

MORGUCZ (BLINKY) REPORT

Blinky received a liver transplant on December 23, 1994 and is doing fine. The Morgucz family would like to thank all who sent in donations to help the family out during these trying times. The association would also like to thank the membership, we can and do make a difference when we work together, especially when we can help a "BROTHER". We wish Blinky the best and hope a speedy recovery for him. Follow up: Blinky came home from the hospital on 12 January. Roy Barley gave him a call and Blinky told him of how the 1st Bn. signed a card and sent a donation directly to him. Thanks 1st Bn. you are our brothers and we are proud of all you do!

ASSOC. CONDOLENCES AND PRAYERS

Gary Linderer L/75 and Behind The Lines recently lost his son. to an embolism. The association's condolences go out to the Linderer family. Instead of flowers the family requested that donations be sent to the below address to establish a scholarship fund.

RANGER HALL OF FAME

The association received four (4) nominations from the unit directors for this years Hall of Fame inductions at Fort Benning. The nominees were **Pat Tadina** 173rd LRRP, 74th LRP, N/75; **Larry Fletcher** N/75; **Ormand Crabtree** 1/75 and **Mike Martin** V Corps LRRP and BDQ. The nominations passed amongst the officers of the association and Pat Tadina N/75 and Mike Martin BDQ were selected as the nominees from our association. The paper work will now go to the 75th Ranger Regiment where the Hall of Fame board consisting of the Regimental and Ranger Training Brigade commanders and Sergeant Majors will confirm our nominees. The two Rangers not selected for this years induction will be considered along with all future nominations received from the unit directors. Our association has two (2) slots per year for the Hall of Fame until 1998, when we will have only one (1) slot per year. The unit directors who submitted names for this years induction are to be congratulated on the outstanding Rangers who were nominated. The selection process by the officers was very difficult to say the least. The association officers are constantly amazed at the outstanding caliber of the men nominated. We hope many of our members will show up at this years induction to show support for these two inductees. The association has booked 50 rooms at the Sheraton hotel (See Ranger Rendezvous, this issue). **PRESIDENT / SECRETARY**
