The above schedule is tentative and only reflects the events and approx times as of this newsletter. We will have plenty of time to socialize with our brothers who we served in combat with and meet the members of our sister units. Please bring your families, the reunions are much better when we share all the emotions with our loved ones. REGISTER EARLY. See you there !!!

LETTERS

Enclosed is my check, number 717 for the amount of forty dollars (\$40.00) to cover my overdue membership dues for 95/96, and for the 96/97 dues. I sincerely hope that Mr. Roy Boatman will quite referring to me as "CHEAP CHARLIE" now that I have paid my money, and furthermore, I hope I wouldn't have to Listen to anymore of this "Cheap Lawyer Jokes". So if you would be so kind, as to forewarn the big guerrilla, that I am current with my dues, and that I found out via the grapevine, that both Boatman and Duke, were placing me through unneeded mental stress(for which I am being treated for) by placing my membership on hold after receiving my check, just because of the fact that I am an attorney, these two guerrillas induce the association to hold on to my check as to such time that funds could be verified, and while Roy Barley reviewed my IRS file. What upsets me is I made these three stooges the Rangers they are today, before I got a hold of them they were wimps, and do I get any thanks for my hard work, hell no! I don't want to take anymore of you time Ranger Rhodes, but I thought would let you know of what I go through every year to become a member of this great organization. So much for my complaining, hope to see you out here in the west coast for the reunion in June. **CARLOS SEPULVEDA C/75** *Carlos's reluctance at parting with a dollar is legendary. In Vietnam, he represented the NVA in wrongful death cases against his own team that had recently killed them and then represented the NVA before the ACLU against his team for trespassing in their AO. A Typical Lawyer. On the serious side, Carlos recently was hospitalized and is now doing better. The association sends its prayers for a speedy recovery. It was probably an anxiety attack from spending \$40.00 at one time.*

I have recently had the opportunity to speak with a prominent lobbyist, who is very sympathetic to veterans issues. She has offered her services free of charge to W.I.V.E.S. She is willing, and has the ability to place us in front of congress to report on the apparent adversarial role the V.A. has taken toward vets, and the problems with care in VA facilities. I know it can be difficult to take the time to sit down and write a letter about your experiences with this system, but...**WE NEED SUPPORTING STATEMENTS FOR OUR WORK!** All letters we receive will be used to effect positive change in the system. The lobbyist has also promised us meetings with all the Republican candidates for President in next years election. So, please take the time, and send us letters about your experiences with the VA. The more letters we have, the more access we will be given! Write today to W.I.V.E.S., P.O. Box 1674, Bailey CO. 80421, or to W.I.V.E.S., P.O. Box 521, Mena AR. 71953, Or you can call and give us your story and we will write it up, and send you a copy to sign. Call, Linda Cox (503) 838-4403, or Linda Walker (501) 394-7341. Thanks for your efforts! **LINDA COX & LINDA WALKER** *Note: W.I.V.E.S. is the name taken by two of our members wives to try and help with the problems their husbands have experienced with the VA. Our association endorses their efforts.*

ASSOCIATION INTERNET ADDRESS

The association now has a home page on the INTERNET. Don Besst N/75 volunteered to take the time and effort to set up a home page and the links from various veteran type organizations. The secretary supplied him with the graphics of the various unit scrolls and E Mail addresses of the officers and unit representative/directors. In the near future we will be adding a page concerning the upcoming reunion and the form and address for ordering the Ranger Memorial Stones. If you get the time drop by and say hello at:

[http:// www.whidbey.net/~besstdg/75thassc.htm](http://www.whidbey.net/~besstdg/75thassc.htm)

The secretary has received numerous messages from prospective new members. It's a way to reach some of our missing comrades and to promote the association as well as keep our members informed. **SECRETARY**

HONORARY COLONEL OF THE REGT.

Ranger Ralph Puckett (Honorary Member) has replaced Ranger Frank (Bull) Dawson (Honorary Member) as the Honorary Colonel of the 75th Ranger Regiment during a ceremony at Ft. Benning on 18 January. Ralph served with the 8th Army Ranger Company (Prov) in Korea and is also a Hall of Fame recipient. Both of these outstanding Rangers have Led The Way in the Ranger community for years and the association is very proud to count them among our supporters. Congratulations Ralph and **DRIVE ON! DUKE DuSHANE**

PRIVACY ACT (ASSOC ROSTER)

The policy of our association has been to close hold the membership rosters and the members information and only periodically distribute them to the unit directors. The director will provide the information to a requesting member for a specific individual or if none of the members of that unit object, provide it to all of that units members. We have asked that the complete roster not be given out for numerous reasons: 1. Privacy of the individual. 2. Solicitations from agencies that are not reputable. 3. Some people sell the names and addresses. . . We will continue to close hold the members info unless the members say different. If you do not care if your information is given out, please drop the secretary a line, otherwise we will continue with the policy as it now stands. The association will be voting on this issue in the near future. **PRESIDENT**

RANGER HALL OF FAME NOMINATIONS

Nominations will be accepted from the **unit representatives** for the 1997 Ranger Hall of Fame. The secretary has received many requests from various unit members requesting that specific individuals be nominated. Truthfully, the nominations must come from the unit director. There are guidelines put out by the Hall of Fame committee that are passed on to the unit director. The requirements are very stringent on the nominees (as it should be). Each unit director has in the past received a request for his units nominations and few have replied. Our association has nominated highly qualified members and all have been accepted. Recently the Hall of Fame committee put out guidelines that all nominees will have been awarded the DSC or equivalent to be considered. If you are aware of an individual who you think should be inducted, notify your unit representative, ASAP. **SECRETARY**

RANGER HALL OF FAME MEDALLION

Each inductee is presented with the specially cast bronze Ranger Hall of Fame medallion, suspended from a red, white and blue ribbon. The medallion was designed and drawn by Mr. C.J. (Duke) DuShane, past President, 75th Ranger Regiment Association who served in combat with P Company, 75th Infantry (Ranger) during the Vietnam War. The eagle represents strength and in Native American lore symbolizes the warrior. The United States flag represents the proud commitment to our country. The arrows show resolve and the readiness to fight and defend the Constitution of the United States against all enemies, foreign and domestic. The eagle flies over the Ranger Memorial acknowledging the courageous and selfless contributions of past Rangers to their country, the United States Armed Forces, and to the proud tradition of today's Rangers. The laurel wreath represents the Rangers' competitive spirit and will to succeed, regardless of the challenge. The Sikes-Fairbaine stiletto represents the Rangers' ability to successfully plan and conduct special operations. Together, the medallion signifies selfless sacrifice, professional excellence, and remarkable accomplishments in the defense of the greatest nation in the world and to the highest ideals of service.

**** HALL OF FAME INDUCTIONS ****

Ranger's O'Barry Crabtree I/75 and Larry Fletcher N/75 will be inducted into the Ranger Hall of Fame on August 14, 1996. Both of these Ranger's are DSC recipients and our association is very proud to have submitted their names to the Hall of Fame committee. The association will support this outstanding event and all members are invited to attend. Look in June issue of PATROLLING for exact dates and schedule.

PRESIDENTS MESSAGE

By the time that most of you read this I and Rick Ehrler and two other members of E/50th /E/75th should be in or have just returned from Vietnam. We are part of a tour group that consists of 18 men who served with various units of the 9th Inf Div in III and IV Corps of Vietnam. And that's the area where we will be spending the majority of our time...among the rivers and swamps of that very fertile area of southeast Asia. According to the information received about the tour we can go almost anywhere that we wish, except where there is currently a military base. That rules out such high points

as Nha Be, a former PBR/Seal base that we were fortunate enough to spend several weeks at back in 1968. Those Navy guys sure did live and eat well. Well...its a Vietnamese Navy base now. Probably same flush toilets and showers. Since we can cut out on our own we plan to do so for a couple of days and head to the area around Nha Trang. In Jan of 1968 our unit suffered its first casualty up there when Ken Lancaster fell from the skid of a helicopter when his team from the MACV Recondo School was extracted after contact. Those who were on the team reported that Ken fell well over 1000 feet into triple canopy jungle. Again those on the team were positive that the fall killed Ken but were not allowed to go back to secure his body. Indeed the coordinates given were approximate and not absolute. Indigenous personnel were sent into the area with no luck. Teams from E/50th volunteered to go look but were advised that area was well outside our AO and were not allowed to go. Well...28 years later four of us are going to go and ask questions of villagers in that area just in case someone might have an answer or two. We realize that to get any kind of information is a million in one shot but if we went that far why not go the extra mile or so. Ken and I came into the unit at about the same time. He was a good guy with a great smile..We cannot afford to forget the good guys or each other.**ROY BARLEY**

BEST RANGER COMPETITION

**3 THRU 6 MAY 1996
FT. BENNING, GA**

The best Ranger Competition will again take place at Ft. Benning. Two man teams from all the active duty units of the US Army will compete in this three day grueling competition. Watching these Rangers will renew your pride in the capabilities of these modern day warriors. Our association awards a plaque to the winners. **SECRETARY**

PROXY VOTING

Proxy voting by the members who cannot attend the reunion will be accomplished by the member sending a letter to his unit representative/director and a copy to the secretary. The secretary must have a copy for the vote to count. Proxies will be accepted on all issues put before the membership except the election of officers. If there is something you want brought up at the general membership meeting, tell your unit director.

OFFICER ELECTIONS

The association will elect new officers for the 1996 -1998 term during the reunion in June. While nominations will be accepted from the floor, members desiring to serve the membership should contact the current president in writing prior to the election process. Members who have notified the president that they will run for office are: Rick Ehrler-President and Terry Roderick-Vice President. Members who wish to serve the membership must be cognizant of the history of all the units that make up our membership, have the time to attend Ranger social functions, be able to effectively guide our association in financial matters and have the technical skills to communicate with each other and the various Ranger associations. None of the positions of President, Vice President, Secretary and Treasurer are figureheads. Many long hours are required to effectively administer our association. The positions are more and more requiring the use of a computer in the modern day world and the Secretary and Treasurer positions demand the use of a computer. If you have these skills and are willing to work for the membership please contact the president as soon as possible. Proxy voting for the officer elections **is not allowed.** **PRESIDENT**
